Jurnal Teknik Industri was published since October 2000 by the Department of Industrial Engineering, Faculty of Industrial Technology, Universitas Trisakti. Publish three times a year, March, July and November. Editors receive scientific essays in the form of research results, surveys and literature review that are closely related to the Field of Industrial Engineering. JTI is a peer-reviewed and open access scholarly periodical. Article manuscripts are published after a thorough peer-review process (<https://josi.ft.unand.ac.id/index.php/josi/review>). The journal publication is maintained by the Industrial Engineering Department (<http://industri.ft.unand.ac.id/>) Universitas Trisakti (<http://www.unand.ac.id/>), Jakarta, Indonesia as the publisher. JTI works closely with The Institution of Engineers Indonesia (Persatuan Insinyur Indonesia) (<https://josi.ft.unand.ac.id/index.php/josi/publisher>) and BKSTI (Badan Kerjasama Penyelenggara Pendidikan Tinggi Teknik Industri) (<https://josi.ft.unand.ac.id/index.php/josi/publisher>), which provides editorial members, peer reviewers, and authors, both are professional institutions related to JTI's aims and scopes. Accepted papers are in Indonesian and English

Focus and Scope

Jurnal Teknik Industri (JTI) mainly focuses on industrial engineering scientific essays in the form of research results, surveys and literature review that are closely related to the Field of Industrial Engineering. Detailed scopes of articles accepted for submission to JTI are:

- Production Planning and Inventory Control
- Ergonomic and Work-Study
- Multicriteria Decision Making
- Quality Engineering
- Data Mining
- Business Intelligence
- Production System
- Product Design and Development
- Supply Chain and Logistics
- Optimization and Mathematical Modelling
- Information System
- Manufacturing Facility Design
- Business and Organization Design
- Maintenance System
- Human Resource Development
